Meraki

to achieve WHAT?

youth employment ⇌ cultural heritage

The project will have a direct impact, by mapping six local-regional-national Cultural Heritage and its dimensions (tangible, intangible, digital, natural) leading to the creation of an **educational-training kit** that will be tested and used by all six partners of the consortium; we will also establish a **network** and a **platform** that will help-support individuals, stakeholders, professionals, institutions, NGOs, experts, volunteers etc towards the development of competencies of youth workers in entrepreneurship and employment.

Training-educational kit for
youth workers and employ-
ment agents with innovative
tools, methods and activities

An International study - sub-
mission of an academic paper

Networking

Awareness raising campaigns

Development of multimedia
instruments to promote ex-
amples of good practices of
this project

Through 48 training sessions
developed by the 24 multipli-
ers in the 6 partner countries

By creating a **European platform** providing young workers, multipliers and employ-
ment agents with tools, know-how, methodologies and innovative and participatory
activities to motivate young people in the process of seeking employment in the field of
cultural heritage.

HOW?

www.aid.com.gr

Alternative Innovative Development (A.I.D.) is an organization of non-profit nature, focusing on YOUTH actions and initiatives that promote intercultural dialogue, human rights, phenomena of marginalization and racism (xenophobia, Islamophobia, etc.), supplying educative supporting services and cultural heritage.

Association Regain
La Borie Noble

www.association-regain.info

Regain, at La Borie Noble is a place of exchange and creation open to all, artists, independent researchers, art lovers or simply curious people about a more sustainable life. Regain emphasizes a hands-on, learning-by-doing approach, focuses on more practical education and provides access to youngsters to experience self-sufficiency.

DIVERSE YOUTH NETWORK

www.diverseyouthnetwork.eu

Diverse Youth Network builds a network of diverse people and NGOs inside and outside of Europe. The mission of the Diverse Youth Network is to build connections between people and communities, to articulate diversity and versatility, and to inspire joint co-operations and initiatives among youth.

www.key-action.com

Kocaturk was launched in 2018 offering consultancy with good quality to all the public and private institutions which care about change and development. Offering employability opportunities to young people the aim of the organization is to raise the standards of general education of our country.

www.solytierra.com

Teatro Sol y Tierra is an Association that aims to create a learning space for sustainability in four directions: ecological, economic, social and cultural. Through the realization of training courses and artistic activities aimed at disseminating a sustainable lifestyle, based on the philosophy of Ecovillages model.

[facebook/ngo.meraki](https://facebook.com/ngo.meraki)

NGO Meraki covers different fields and profiles with a main aim to forest the mobility of young people in Europe and providing non-formal and informal learning opportunities with a European dimension and creating innovative opportunities in connection with active citizenship, especially for the young people with fewer opportunities.
